Note 1: The Goat Classes / Male Classes only / Milking Competitions only are held under the Rules, Regulations and Recognition of the British Goat Society. All exhibits must be registered with the BGS as in the ownership and in the name of the exhibitor, the registered name and number being quoted on the entry form. (Also, the kidding date for Goats in milk.) All goats in milk must have kidded or aborted a minimum of 30 days previous to the date of the Show.

Note 2: ALL ENTRIES must be accompanied by a CAE negative certificate issued during the previous twelve months and current at the date of the Show or a valid BGS Monitored Herd Certificate.

Note 3: A separate penning area will be available for:

(a) Goats which have had a negative CAE test within 12 months of the Show date. In this case, the dams of kids to comply with the requirement.

(b) Goats from herds in the BGS Monitored Herd Scheme.

Note 4: All goats entered in the milking competitions, udders to be stripped out by 6.30pm on Friday prior to Show.

Note 5: Please note if insufficient entries (3) are forward on the day classes may be combined by Breed Section.

Please Note: Exhibitors are advised that milk produced at Shows should not be fed to goats of any age as this appears to have been a factor in the spread of CAE in the past.

Exhibitors are requested not to bring to the Show any Goats that have 'ever' had a positive reaction on a CAE test.
